	Phase 2	May 2017	Oct. 2019					■							
	Phase 3	Aug. 2019	Dec. 2020										■		

Maintenance of Traffic Review

Phase 1 – Lift Station 87 Microtunneling

To maintain safe traffic flow during construction by:

- Directing traffic to Mound Street/US 41 to avoid neighborhoods
- Addressing pedestrian detours and sidewalk closures
- Identifying access to businesses on Osprey Avenue

Lift Station 87
