

Lift Station 87

Dec. 5, 2019 Community Outreach Meeting Comment Form

Thank you for taking the time to provide us with input regarding this meeting and the Lift Station 87 Project. All input received will be compiled in a meeting summary that will be posted on the project website (www.liftstation87.com).

Please read the following statements regarding the Maintenance-of-Traffic Plan for the Osprey Avenue closure and place an X in the box that best reflects your response.

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
The Maintenance-of-Traffic Plan will keep motorists moving safely through the area.					
The Maintenance-of-Traffic Plan will route drivers away from the neighborhoods.					
The Maintenance-of-Traffic Plan will keep pedestrians and bicyclists moving safely through the area.					

Please tell us what concerns you the most regarding Phase 3 construction. Please place an X in the box that best reflects your concern for each topic:

	Most Concerned	Somewhat Concerned	Least Concerned
Access to my home			
Parking during construction			
Duration of construction in front of my home			
Impacts to the right-of-way due to construction			
Restoration of the streets after construction			
Impacts to trees			
Night work/construction lighting			
Advance notice of service interruptions			
Impacts to trash, mail or package delivery			
Noise and dust			

continued on back

Do you have any additional input regarding the Osprey Avenue closure?

Do you have any additional input for Phase 3 Construction?
